## St. Therese News

The St. Therese Institute has wrapped up our program year, and the young adults have gone home. Pray for these young Catholics as they re-enter the world, that they will truly be the love of Christ everywhere they go.

At the end of May, the St. Therese Institute will have a roofing crew here to help us get our new roof onto the chapel. We've run into a concern with asbestos shingles, which is going to increase the cost of our roof project by \$15,000. If you want to support the capital campaign but haven't yet, please help us meet this extra challenge by supporting us now. Donate by stopping by the St. Therese office during business hours, Monday through Friday, or donate online at [sttherese.ca/donate/](http://sttherese.ca/donate/) - click on the "chapel roof campaign" heading to the right of the "general donations" heading.

This summer, St. Therese Institute will have three interns - Jack Legge, Jeremiah Evans, and Maximilian Connelly - working with our staff on sustainability initiatives.

- We have planted our large produce garden and will plan to run canning seminars for both STIFM students and interested Bruno parishioners when we harvest in the fall. This is a program we hope to develop into an annual tradition. We are also seeking donations of canning supplies in support of this initiative.
- We have also begun keeping a small number of chickens in our back orchards this summer, too, and will slaughter flocks in the mid-summer and in the fall to supply our own kitchen more sustainably for the program year.
- There will also be upkeep around the orchards, grounds, and buildings to keep the young men busy.

Speaking of the St. Therese orchards, we have received the unfortunate expert opinion that ours are largely unsustainable. The cherry variety that was planted is susceptible to a variety of blights that require significant investment in spraying. The orchard rows were also planted too close together, which made the orchards inaccessible to normal orchard machinery. As a result of these difficulties, added to some difficulty finding regular markets for the cherries themselves, our professional orchard-management partners have asked to be released from their contract with the St. Therese orchards. In response, our first step this summer will be to prune back the majority of our trees. This is a normal practice that allows new shoots to grow, but in our case, it will also give us some time to consider options for the use of the orchards or the orchard land. We will maintain only a small number of trees in the meantime, possibly only in the small front orchard that touches Ursuline Avenue.

Ending on a fun note: the St. Therese Institute will host the "Coffee Row" folks from over at the Prairie View community this summer in our coffee lounge. Coffee Row lost their previous morning coffee location and was looking for options. Now they will meet every weekday - from 7:30-9:00 a.m. - at St. Therese. We are honored to be the seasonal home for this important part of our Bruno community. Welcome, Coffee Row!

God bless you all. Please stay in touch.

**Cathy Glass Books & Biography**

Cathy has been a foster carer for over 30 years, during which time she has looked after more than 150 children, of all ages and backgrounds. She has three teenage children of her own; one of whom was adopted after a long-term foster placement. The name Cathy Glass is a pseudonym.

The following information is taken from Cathy Glass <https://www.amazon.com/stores/author/B002CI4DVK>

I live in England and have three children, two birth children and one adopted. At the same time I became a foster carer, which is the inspiration for much of my writing. I have been a specialist foster carer, sometimes referred to as a level 3 carer. This is in recognition of my experience and qualifications and means that I am often asked to look after children with complex needs or very challenging behaviour. I have a degree in education and psychology. The two halves of my life - writer and foster carer - came together in 2007 when I wrote about a child I'd fostered and the book immediately became a number one best seller.

It is your responsibility as the property owner / tenant to ensure your trees stay on your property so please check yours and trim accordingly.

There is to be absolutely **NO DUMPING OF GRASS CLIPPINGS OR ANY KIND OF YARD WASTE ON MUNICIPAL PROPERTY OR VACANT LOTS OR DITCHES.**

Your yard waste including grass clippings, leaves, compost and branches must be kept on your own property!

### PLEASE FLUSH TOILET PAPER ONLY

**DO NOT FLUSH : FEMININE HYGIENE PRODUCTS, RAGS, CLOTHING, MOP HEADS, FOOD WASTE, PAPER TOWELS OR GARBAGE OF ANY KIND**

## FUNDRAISING FOR PLAY AREA PROJECT

A huge, heartfelt thank you to the Bruno Lions Club for the use of their building and the incredible volunteers that helped make our pancake breakfast happen.

And thank you to everyone who came out to eat - it was a record setting event for us! Funds raised will go towards our mortgage and outdoor play area.

Our Coop gift card fundraiser runs June 26-July 9. You can purchase gift cards from any BCC board member in \$50 or \$100 denominations to be used on Coop gas, groceries, hardware, or liquor.

All funds raised will go towards our play area project starting with some much needed groundwork to improve drainage.

Our staff would like to take this opportunity thank all those that took the time to celebrate Early Childhood Education Month with us.

## A MESSAGE FROM OUR EDUCATORS

The most popular experience of the month was "build your own sundae." It doesn't matter how old you are, ice cream always brings smiles to faces!

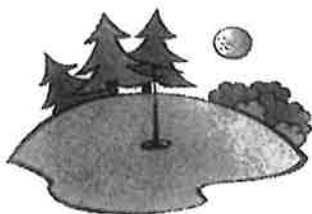

And it's those smiles that lead us into the sunny days of June where we will be planning and preparing some special activities to celebrate Father's Day and Canada Day, with much more in between.
